COLUMBUS, O., July 28.—A telegram was received at the adjutant's general's office Tuesday from Adj't Gen. The members of the Ohio National guard are now comfortable.

THE SECOND GAME.

Marietta Again Defeats Parkersburg by a Score of Ten to Three.

About 75 Marietta rooters went down on the Catherine Davis to Parkersburg Tuesday to see the local nine rub it in to the West Virginia aggregation pretending to play ball under the management of Sig Marcus. The game ended in a defeat for Parkersburg even more humiliating than that of the day before.

Gunther was hit hard by the Marietta boys and three home runs were made off his delivery in the eighth inning. Reynolds pitched for Marietta and put up a fine game, receiving good support behind the bat and in the field.

According to reports about 800 people witnessed the game and the Parkersburg contingent was very blue and very mild. It begins to look like three straight.

The score tells the tale:

War on the Shanty Boats.

Within the past two weeks affidavits were sworn to in 'Squire Guyton's court against several parties who have been living along the Ohio and Muskingum rivers, within the corporate limits of the city, charging the same with non-payment of license, which is \$10 per annum, providing good moral character can be shown to satisfaction of Probate Court.

There are a number of the delinquents, and they are as follows, so far as has been heard: James Gray, John Poole, Joseph Steed, William Dickson. This law regarding to shanty boats relates to all other than steam vessels.

Just What's Needed

Exclaims thousands of people who have taken Hood's Sarsaparilla at this season of the year, and who have noted the success of the medicine in giving them relief from that tired feeling, waning appetite and state of extreme exhaustion after the close confinement of a long winter season, the busy time attendant upon a large and pressing business during the spring months and with vacation time yet some weeks distant. It is then that the building-up powers of Hood's Sarsaparilla are fully appreciated. It seems perfectly adapted to overcome that prostration caused by change of season, climate or life, and while it tones and sustains the system, it purifies and vitalizes the blood.

AFTER THE WAR.

A Story of the Sufferings of a Prominent Pennsylvania Attorney.

From Pittsburg Post.

Instances by the hundreds can be found all over the country of men who went into the war of the rebellion strong and healthy and came out physically wrecked. The discomforts and exposures of those four awful years left with them a legacy of disease that is bringing them one by one to their graves. And yet some are finding relief, even at this late date. One of the most interesting cases of this sort is that of John F. Donnan, a prominent pension claim attorney of Burgettstown, Pa. Mr. Donnan suffered tortures from troubles resulting from disordered kidneys and has been cured by that never-failing remedy, Doan's Kidney Pills. His story is an exceptionally interesting one.

"When I began taking Doan's Kidney Pills a few months ago," he said, "I had not eaten bread or any other starchy food, or fats of any kind, for nearly two years. For a long while I had been treated for disorders of the stomach and had taken quite a variety of strong tonics, peptones and other similar medicines without any appreciable results. To begin with, I am a total physical wreck, having, while serving with Sherman in his Georgia campaign, contracted pneumonia, which resulted in the entire consolidation of my right lung, curvature of the spine and heart disease, for which I have been drawing a pension for more than 30 years. These organic diseases are, of course, incurable, but I have been convinced recently that my gastric trouble was due alone to kidney disorder. My father was a medical practitioner here for 50 years, and I have read quite a good deal on the subject of medicine, and so was able to diagnose my case.

"At the time I began to use Doan's Kidney Pills my urine was scant, highly colored and strong smelling; I was pale, tongue heavily coated, flesh soft and flabby, had a poor appetite, and rested poorly at night. My weight was 110 pounds. After using Doan's Kidney Pills for two months, I can cheerfully testify to their remarkable worth. My weight has increased nearly 10 pounds, flesh is much firmer, urine normal, color good and appetite excellent. I can now eat my favorite pork and beans without the slightest distress. I sleep like a child and am in every way as well as it will ever be possible for me to get. I recommend Doan's Kidney Pills to my friends and comrades on all occasions."

You can get Doan's Kidney Pills at your druggist's at 50 cents a box, or they will be sent postpaid on receipt of price by Foster-Milburn Co., sole agents, Buffalo, N. Y.
